## Videocon's Best Vendor

Videocon, one of India's largest manufacturers of household appliances and consumer electronics, has presented EPCOS with its Best Vendor Award. According to Videocon the decisive factors were the outstanding quality and delivery reliability.

Among the products EPCOS supplies to Videocon are film capacitors for use in air-conditioners, refrigerators and freezers. In addition to these products, Videocon's portfolio includes washing machines, microwave ovens and televisions. The company is headquartered in Aurangabad, some 300 kilometers northeast of Mumbai.
