Samsung honors technology and innovation

Samsung Electro-Mechanics (EM) has presented one of its coveted supplier awards to EPCOS Korea. The prize was given for outstanding performance in categories such as technology, innovation and pricing.

All in all, Samsung EM presented awards to only nine out of 500 suppliers.

At a special ceremony at the company's headquarters, Jong Woo Park, President and CEO of Samsung EM, handed over the award in person to Kyoung Bong Park, Senior Director of EPCOS Korea.

EPCOS supplies Samsung with a series of SAW filters for use in televisions, set-top boxes and mobile TV receivers.
